

QUIZ EXPRESS — VOCABULAIRE ANGLAIS

Le Guide Ultime de Vocabulaire, Expressions et Test Express pour le Lycée

Auteur	Abdoul Majid Hamidou Boubacar
Année scolaire	2026-2027
Public	Élèves du secondaire et du lycée

Objectif : apprendre, mémoriser et réutiliser le vocabulaire anglais dans des phrases simples, puis vérifier ses acquis avec 100 questions progressives.

Mode d'emploi

Ce guide est conçu comme un entraînement actif : lis les fiches, cache la colonne française, reformule les exemples, puis fais les quiz sans regarder le corrigé. Le vocabulaire est orienté vers les thèmes fréquents de l'anglais scolaire et du lycée.

Méthode en 4 étapes

1. Découvre : lis 15 mots par thème. • 2. Active : prononce les mots et crée une phrase personnelle. • 3. Teste : réponds sans consulter les réponses. • 4. Corrige : repère l'erreur et note la règle ou le mot qui te manquait.

Astuce : pour mémoriser durablement, révise les mots le jour même, puis à J+1, J+3 et J+7. La répétition espacée est plus efficace qu'une seule longue séance.
